*in celebration of the 40<sup>th</sup> Anniversary of Sripatum University*

## **Sripatum International College (SIC):**

At Sripatum International College, our core values are "HI-SPEED - Honest, Intelligent, Social-Responsible, Professional, Energetic, Ethical and Dynamic".

Through our highly flexible, internationalized curriculum and program design, we make sure that our students will obtain competency, skills and knowledge needed to survive and thrive in the real business world. The dedicated faculty and staff members in our International College are always ready to serve the needs of our students.

There are good reasons why our International College has become the ultimate choice for international education. International students come here for the traditional Thai experience and hospitality, while Thai students come to our campus to explore the entire world and create the global network. As reflected by our motto "Sripatum International College ...The Path to A Global Network".

Our talented students come from various countries e.g. U.S.A., France, Australia, China, Taiwan, Burma, Vietnam, Laos and The Philippines. We have virtually brought the whole world to our students to make their learning experience truly global.

Moreover, our curriculum has been fully internationalized at both programs i.e. International Business Communication and Hotel Management; class size in our College is typically small; the faculty is fully dedicated to quality teaching; and we have established academic collaborations with overseas universities as well as institutional connections with both local and international organizations, corporations and hotel chains. As such, we offer the best value for the dollar paid by our students. It makes perfect business sense for those who aspire to become business leaders as well as hotel executives to study at Sripatum International College.

**SRIPATUM UNIVERSITY**

## **Sripatum University (SPU):**

Sripatum University is one of the oldest and most prestigious private universities in Thailand. It was founded on the 28th of May, 1970 by Dr. Sook Pookayaporn under the name Thai Suriya College. The name "Sripatum" meaning "Source of Knowledge Blooming Like a Lotus" was conferred on the college by Her Royal Highness the Princess Mother.

At present, the university offers many degree programs in multi-disciplines at the undergraduate level and the postgraduate level including doctoral degrees. There are twelve teaching Faculties, namely-the Sripatum International College, Graduate School, Faculties of Law, Business Administration, Accounting, Communication Arts, Liberal Arts, Economics, Engineering, Informatics, Architecture, and School of Digital Media. In learning and teaching, the university aims to instill correct attitudes towards education in students so that they are enthusiastic in their pursuit of knowledge and self-development. This will give them a firm foundation for the future when they graduate.

SPU realizes that academic knowledge and ability alone cannot bring success. Therefore, the university encourages students to participate in the extra-curricula to ensure that they have the opportunities to develop social skills such as the ability to coordinate, to provide leadership, to utilize creativity and to enhance interpersonal skills, etc. This is to prepare students to face the real world and to give them a firm foundation for personal development.

Student activities are divided into those arranged by SPU, which will develop the students' personality and potential, and those arranged by each Faculty, which will improve the students' academic knowledge and experience.

Student activities are organized by the students of each Faculty or by Student Clubs. For examples, academic services, art & culture and sports are activities that encourage students to use their free time constructively, to be united, to work as a group, to be responsible, to make sacrifices and to practice leadership. These activities encourage students to become quality graduates and Thai citizens.

*Sripatum International College Scholarship Program 2010*  
*in celebration of the 40<sup>th</sup> Anniversary of Sripatum University*
