

Call for proposals to
Integrate Quality Online Learning Contents in the ACU-OER Platform as part of
the ASEAN CYber University Project (ACU)
~ 31. March, 2023

ACU Project is seeking collaboration with three universities from ASEAN partner countries, with a primary objective to acquire three sets of online-based learning courses developed by the partner universities.
 A project budget around US\$ 9,000 per course will be provided for the multi-lingual translation and development of the learning contents.
